Read these instructions!

This assignment is **due on Friday, August 27 to Gradescope by 6 PM.** You are expected to write up your solutions neatly, with **full explanations and justifications** when necessary. Remember that you are encouraged to discuss problems with your classmates, but you must work and write your solutions on your own. **Important**: On the **FRONT** of your assignment clearly write your full name and the lecture section you belong to. You may upload your assignment as a pdf or as images of your work. Make sure that your images/scans are clear or you will lose points/possibly be given a 0. Also, if you do not match your questions on Gradescope, then no credit will be given.

1. Name four platforms that will be used in the Fall 2021 semester of CSCI 2824 (found on the first page of the syllabus.)

2. At 6:00 PM on which day(s) of each week will there be an item due?

3. The following questions are about determining your grade:

   (a) How many points will be offered (at a minimum)?

   (b) The grade will be figured out of how many points?

   (c) Name two ways to gain extra credit.

4. For this class, what programming language will we be coding in?

5. On **average**, how many hours of out-of-class study time will generate a 'B' or 'C' grade in this course?
